## On the day Orienteering Hotspot

As part of our ongoing experimentation with providing innovative services at our events we shall be providing a free wireless events service at this event. By using any wireless device (PC, MacBook, IPhone etc.) you should be able to connect to our results network from within the Assembly Area.

Course results, splits and a real-time view will be available.

To Connect...

Search for a wireless network SSID 'orienteering'

Press Connect

The orienteering wireless network is not secured so no password/network key is required.

All settings should automatically be set as long as the default TCP/IP options are defaulted:
