## Get Up To Speed Videos Quiz (no prizes) – Easter 2019

In January and February South London Orienteers (SLOW) released nine short videos. The videos are each presented by a GB Orienteering team athlete. Eight were made using a small projects grant from Sport England, to support a programme to help juniors deal with more technically demanding courses. The ninth video is an introduction to the sport.

- 1 -Setting the Map || Charlotte Ward
- 2 Using The Compass || Hector Haines
- 3 Attack Points || Megan Carter-Davies
- 4 Aiming Off || Charlotte Watson
- 5 Large Contour Features || Chris Smithard
- 6 Route Choice || Alice Leake
- 7 Intricate Contours || Kris Jones
- $8 Simplification \parallel Ralph Street$
- 9-Start Orienteering || Graham Gristwood

## Enter the number of the video

Question | In which video ....

1	does something "stick out into the flat area"?	
2	does the presenter use maps at different scales?	
3	does the presenter talk about "individual strengths"?	
4	does the presenter say they are at a clearing?	
5	does the presenter run up some steps?	
6	does the presenter mention a fence corner?	
7	does a lump of wood hanging on a rope intrude into a shot?	
8	is there a turquoise dibber?	
9	is there a course with the same name as the video?	
10	does the series producer play a cameo role?	

And some extra questions...

11	Which video was filmed in Norway?	
12	Which video is presented by a World Champion?	
13	In which video does another World Champion's left foot appear?	
14	Which presenter had the highest World Ranking position on 1 <sup>st</sup> January 2018?	
15	Which presenter has a British Relays Silver medal running for the Editor's club?	
16	Which presenter was 4 <sup>th</sup> (5 secs down on 3 <sup>rd</sup> ) in a (non-WOC) World Cup race?	

Sorry no prizes for this, but do please come along to the JROS tent at the JK and fill in our videos feedback form, and at the overall prizegiving we'll ask a winner to make a draw for a mini-drone. Answers will be published on the SLOW website on JK Relay day.
