## START AND START TIMES and SPORTident timing

Start times are available on SiEntries

It is a punching start for both SI and SIAC. Competitors in the RLC Championships and the selection race have been appropriately seeded. Please do not miss your start time!

During the course mixed traditional SI and contactless SIAC punching will be used. Controls will have back-up punches, if SI failure occurs at a control, use the clipper to punch the box on the right corner of your map.

The Start is from 10.00 to 12.00 and is a 600m level walk from the main car park. There will be a late start lane for split starts and those who miss their start time. Please note you may need to wait for an appropriate start time depending on your course. The Blue course is particularly full so those who miss their start may have to wait for a while for a space. You have been warned!

## COMPULSORY SAFETY CHECKS at START

In the pre-start there is an electronic SI safety 'Check'. Do not avoid this check.

## FINISHES

The finish is adjacent to assembly. The Finish is contactless for SIAC cards. Once finished please go directly to the DZ Huts for download. **YOU MUST REMEMBER TO DOWNLOAD.**

## COURSES CLOSE at 2.00pm

To avoid any useless search operation, **you must report to download, even if you do not complete your course.**

## PRIZE GIVING

Prize giving for the OK Nuts Trophies and the South East Long Distance Championships will take place as soon as the prize winners are known. To be eligible for the South East Long Distance Championships you must be a member of the SEOA.

## STRING COURSE

Please report any accidents and injuries **ON THE DAY** at Enquiries.

- **Emergency:** All maps are overprinted with a safety phone number that can be used in an emergency.
- **Clothing and whistle** - If weather is poor we may require you to wear a cagoule and carry a whistle. In an emergency to summon help: 6 short blasts, followed by a one minute break.
- **Forest hazards** -Please be careful of crossing streams/ditches etc. that are on some courses.
- **Road to Start:** The route to the Starts (all courses) follows the access track to the area. Please walk with care and obey any marshal's instructions.
- **Black, Brown and Short Brown Courses cross the entry / exit track. Please take care when crossing.** These courses also go very close to Hankley Common Golf Club so please be courteous to golfers, especially if they are on the tee and watch out for golf balls!
- **Using roads between controls is forbidden.**
- **Ticks** - Could be present in the area but with a low likelihood at this time of year. Check over your whole body after competing and again over the next few days, removing any (recommend using an O'Tom Tick Twister tool) without delay.
