

SOUTH LONDON ORIENTEERS

OK NUTS TROPHY

Sunday 25 September 2016

GLOVERS WOOD (10 miles south of Dorking)

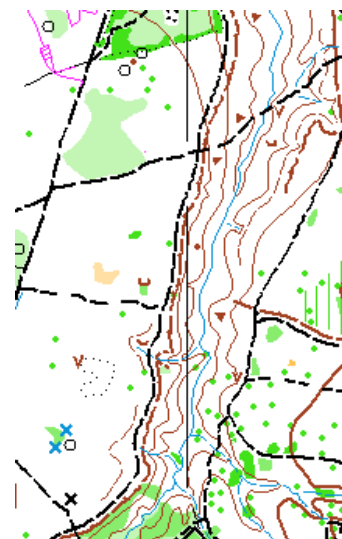

Three prestigious trophies are awarded in commemoration of prominent SLOW members:

- the **OK Nuts Trophy** is awarded to the **winner** of the tough **Black** course, in memory of Mike Wells Cole, British Champion and founder member of SLOW, and his club Nutfielders OK
- the **Heather Monro Trophy**, named after SLOW's illustrious World Champs Medal Winner, is awarded to the first **woman** on the **Short Brown** course
- the **Margaret Loveless Trophy** is awarded to **best Junior**, in memory of one of SLOW's most loyal and popular members
- commemorative coasters awarded to class winners

TERRAIN **Glovers Wood is a rarely used gem:** the area is compact with a long steeply-sided valley which has many contour features and elsewhere various earthworks. It is mostly natural woodland with trees widely spaced in the valleys and little undergrowth so runnability is good.

MAP SCALE 1:7500

COURSES Full range of Colour Coded courses (NB "Long", not Middle distance as previously announced)
Free String course for children.
